ADULT TOPICS

(Aphasia, Dementia, Neurogenic Disorders)

Advanced Stroke Therapy (Y13 Productions). 2 videotapes (Advanced Stroke Therapy: Left CVA and Advanced Stroke Therapy: Right CVA). (2.0 hrs.)

Alzheimer's Caregiving, Level 1 and Level 2 (Geriatric Resources) (4 videotapes, 6.0 hrs.)

Assessment and Treatment Planning for Neurogenic Geriatric Communication Disorders (ASHA, 1998). Diagnostic procedures, patterns of disturbance, treatment. 1 videotape, 1 manual. (4.0 hrs.)

* Conversing with Memory-Impaired Individuals Using Memory Aids (Northern Speech Service, Inc.). In-service tape demonstrating development of a memory book for adults with memory-impairment. 1 videotape manual. [* Although too short for CELL Continuing Education credit (5 minutes), this is a good professional resource.] (0.0 hr.)

Counseling Adults with Neurogenic Communication Disorders (A. Holland, ASHA, 1999). 1 videotape, 45 pp. manual. (4.0 hrs.)

Creative Interventions with the Alzheimer's Patients . (M. Lucero, Geriatrics Resources) Seminar in three tapes: Tape 1: Understanding Behaviors; Tape 2: Functional Assessment; Tape 3: Interventions. Three videotapes, 1 handout, 2 manuals (including Dementia Specific Procedures for Long Term Care Facilities ). (5.0 hrs.)

I've Walked a Mile in Their Shoes (Roberta Pierce) Late SHAA member's personal experience with a stroke and recovery process. 1 videocassette (0.7 hr.). [# ABESPA Content Area II]

[NEW] Neurogenic Voice and Resonance Disorders: Diagnosis and Treatment. (M. Sandage, ASHA, 2008). DVD & Manual (4 hrs.)

Programming for Dementia (Mary Lucero, Geriatric Resources). 3 videotapes, 55 pp. manual (5.75 hrs.)

Quality Indicators: Programs Serving People with Severe Communication Impairments. (L. McLean, ASHA, 2001). 1 videotape and manual. (4.0 hrs.)

Radiographic Interpretation of Swallowing Disorders. (Martin-Harris, McConnel, McMahon, ASHA, 2004). Interactive CD-ROM. (4 hrs.)

[NEW] Supported Communication Intervention for Aphasia (N. Alarcon, M. Rogers, ASHA, 2006) DVD & Manual (3hrs.)

Treatment of Dysphagia in Adults: Methods & Effects. (Martin-Harris, ASHA, 1999). 1 videotape & manual. (4 hrs.)

Understanding and Managing Difficult Dementia Behaviors, (Geriatric Resources). 4 videotapes. (6.0 hrs.)
ASSESSMENT

Child Language Assessment: Analyzing the Options (K. Bobkoff Katz, AudioTranscripts, SHAA Convention, 1996) 2 audiotapes (3.0 hours)

Curriculum-Based Assessment and Intervention: A Corroborative Approach. (ASHA Convention, P. Prelock, N. L. Reed, & A. Lee, 1992). 1 audiotape, handout. (1.5 hrs.)

Delineation and Diagnosis of Craniofacial Syndromes: Effect on Case Management (ASHA Teleseminar, March 19, 1993) 1 videotape (open captioned), 28 pp. manual. (0.6 hr.)

Educationally Relevant Assessments. (S. Disney, E. Plante, & K. Whitmire, AAA, 2003). 1 CD and manual. (2.0 hrs)

Radiographic Interpretation of Swallowing Disorders. (Martin-Harris, McConnel, McMahon, ASHA, 2004). Interactive CD-ROM. (4 hrs.)

AUDIOLOGY

Adult Patients Are Not Grad Students: AR for Adult Learners (AAA Convention, 2005). 1 audiotape (1.0 hr.)

Assessment of Auditory Functioning: Beyond SRT and WR Scores (AAA Convention 2005) 1 audiotape. (1.0 hr.)

Biology and Genetics: A Collection of Two 2004 AAA Tapes (Genetics of Hearing Loss for Audiologists, Biological Bases for Regeneration and Repair). (AAA Convention, 2004). 2 audiotapes. (2.0 hrs.)

Cochlear Implants in the Classroom (AAA Convention 2005) 1 audiotape (1.0 hr.)

Dead Regions in the Cochlea: Diagnosis and Clinician Application. (AAA Convention 2005). 1 audiotape (1.0 hr.)

Early Intervention: Do Audiologists Discuss Neuroplasticity? (AAA Convention 2005). 1 audiotape (1.0 hr.).

Fitting Hearing Aids for Babies: Three Things You Should Know. (AAA Convention 2005). 1 audiotape. (1.0 hr.)

Frequency Modulation (FM) Technology Application (AAA Convention 2005). 1 audiotape (1.0 hr.)

Genetics and Hearing Loss , Parts I and II. (AAA Convention 2005). 2 audiotapes (2.0 hrs.)
Guidelines for the Process of Audiologic Management of Hearing. (AAA Convention, 2004). 1 audiotape. (1 hr.)

Hearing Aid Counseling: What Tools and How Do I Use Them? (AAA Convention 2005). 1 audiotape. (1.0 hr.)

Impact of Training on Brain Remapping, Hearing Loss, and APD, (AAA Convention 2005). 1 audiotape (1.0 hr.)

Progressive Hearing Loss in Children: Piecing the Puzzle. (AAA Convention 2005). 1 audiotape. (1.0 hr.)
Providing a "Sound Start" for Infants Needing Amplification. (AAA Convention, 2004). 1 audiotape. (1.0 hr.)

What's the Evidence? Otitis Media Effects and Treatment in Children. (AAA Convention 2005). 1 audiotape (1.0 hr.)
AUGMENTATIVE/ASSISTIVE COMMUNICATION

Assistive Technology Needs Assessment (Conley, ASHA, 2005). 2 CDs & manual. (2 hours)

An Introduction to PECS (Pyramid Educational Consultants). Teaching social interaction with children with severe autism through picture exchange. 1 videotape. (0.7 hr.)

The Use of AAC for Individuals with TBI. (Ho., Purdue, 2002). Shows strategies with demonstrations. 1 videotape. (2.0 hrs.)
AUTISM

Asperger Syndrome: Overview of Clinical Features, Assessment, Intervention, Highlights of Current Research. (Ami Klim, Young Children with Special Needs Conference, 2001). 1 audiotape. (1.0 hr.)

Asperger’s Syndrome: A Guide for Parents and Professionals. (Tony Atwood, Future Horizons). 1 videotape (3.0 hrs.)

Asperger’s Syndrome, Vol. 2: Anger Management, Teaching Teachers, Teenage Issues. (Tony Attwood, Future Horizons), 1 DVD (3.0 hrs.)

Building Foundations for Comprehension in Young Children with Autism: Questions and Answers. (Linda R. Watson, Young Children with Special Needs Conference, 2001) 1 audiotape (1.0 hr.)

Complementary and Alternative Therapies for Children with Autism Spectrum Disorders. (Susan E. Levy, Young Children with Special Needs Conference, 2001). 1 audiotape (1.0 hr.)

Discovering the Abilities within the Disabilities of Autism. (ASHA, 1997). 1 manual, 2 audiotapes (2.0 hrs.)

Evaluating the Efficacy of Intervention Programs for Children: Questions and Answers. (B. J. Freeman, Young Children with Special Needs Conference, 2001). 1 audiotape (1.0 hr.)

Floortime 1: Basics: Relating and Communicating. (Stanley Greenspan and others, 2006) (1 DVD + manual) (6.5 hrs.)

Floortime 2: Sensory Regulation and Social Interaction. (Stanley Greenspan and others, 2006) (1 DVD + manual) (6.5 hrs.)

Floortime 3: Symbolic and Logical Thinking. (Stanley Greenspan and others, 2006) (1 DVD + manual) (6.5 hrs.)

(Note: The above three titles can be seen alone or in any order.)

Intervention for Autism and Severe Disorders. (J. Norris & P. Hoffman). 1 videotape (1.0 hour)

Research in Autism: Troubling Queries, Elusive Answers, Research in Autism. (Marie M. Bristol-Power, Young Children with Special Needs Conference, 2001). 1 audiotape (1.0 hr.)

Structured Teaching: The TEACCH Approach to Working with Children with Autism Spectrum Disorders. (Gary Mesibov, Young Children with Special Needs Conference, 2001). 1 audiotape (1.0 hr.)
Temple Grandin: Two Videos: Sensory Challenges and Answers & Visual Thinking of a Person with Autism. (Future Horizons) 2 videotape (1.0 hrs.)

When Children Won’t Eat: Managing and Preventing Problematic Eating Patterns in Children with Autism. (Kay A. Toomey, Young Children with Special Needs Conference, 2001). 1 audiotape (1.0 hr.)
COUNSELING CLIENTS AND FAMILIES

Counseling Basics for Every Audiologist. (AAA Convention, 2003) 1 audiotape. (1.0 hr.)

Counseling Parents of Hearing Impaired Children. (Sanford, Williams, & Lettman, AAA Convention, 1997). 1 audiotape (1.0 hr.)

EARLY CHILDHOOD

Analyzing the Communication Environment (ACE) . (Rowland & Schweigert, Communication Skill Builders) Motivating children with severe disabilities. 1 videotape, 80 pp. manual. (1.5 hrs.)

Early Language Stimulation Techniques. (Education Productions). Two videotapes: (Let's Talk: First Steps to Conversation and Oh, Say What They See: An Introduction to Indirect Language Stimulation Techniques ). 2 videotapes, 2 facilitator's guides, 2 parent's guides. (1.0 hr.)

Family Literacy: The Role of the Speech-Language Pathologist. (Armstrong, AudioTranscripts, SHAA Convention, 1996) 2 audiotapes (3.0 hours)

An Integrative and Collaborative Early Intervention Model. (Armstrong, AudioTranscripts, SHAA Convention, 1996). 2 audiotapes. (3.0 hours)

Pediatric Feeding and Swallowing: Assessment and Treatment Programming. (Alexander, ASHA, 2002). 1 manual & 1 videotape (2.0 hrs)

Setting the Stage: Clinical Practice in the Neonatal ICU. (ASHA 2001.) 1 videotape & manual (2.0 hrs.)

The SLP in the Neonatal Intensive Care Unit (J. Johnson & J. Norris, LSU). 1 videotape (0.5 hr.)

Small Talk: Creating Conversations with Young Children. (Goldman, Roberts, & Nychka, Riverside Publications, 1991) Topics: Introduction, Conversations through the Day, Ways to Create Conversations, Helping Young Children Learn to Take Turns, Designing the Environment for Conversation, Helping Children to Take Turns with Each Other. Six tape series, 20 minutes each, brochure. (2.0 hrs.)
HEARING IMPAIRMENT

Counseling Parents of Hearing Impaired Children. (B. Sanford, S. T. Williams, & T. A. Lettman, AAA Convention, 1997) audiotape (1.0 hour)

Relationship of Hearing and Hearing Loss to Academic Performance. (Flexer, Purdue University, 1989) Topics: Pivotal role of hearing in education, detrimental effects of mild hearing loss; technology (personal FM units, sound field FM, mild gain hard-wired amplifier). 1 videotape (1.8 hrs.)
MULTICULTURAL ISSUES

Approaching Aural Rehabilitation Services from a Cultural and Ethnic Perspective. (Allen, Aramburo, Taft, Gachupin, dela Paz, & Yeu, ASHA, 1994. 1 audiotape (1.5 hours.)

Assessment of Bilingual Learners: Language Difference or Disorder? (C. Roseberry-McKibbin, ASHA, 2003). 1 videotape & manual. (3.5 hrs.)

The Challenge of Providing Health Care Services to American Indians . (Stauss, et. al., National Center for Neurogenic Communication Disorders, Univ. of Arizona, 2001). 1 videotape (1.6 hrs.)

Cultural Diversity in Communication Disorders: Issues and Perspectives. (O. L. Taylor, Purdue University, 1993). 1 videotape (1.0 hr.)

[NEW] Effective Interventions for English Language Learners. (M. Adelaida Restrepo, ASHA, 2007) DVD & Manual (2 hrs.)

The Importance of Culture in Building Therapeutic Relations. (Beardsley & Bayles, National Center for Neurogenic Communication Disorders, Univ. of Arizona, 2001). 1 videotape (1.0 hr.)

Non-Biased Assessment of the African-American Child. (Toya Wyatt, InfoLInk, 1994). 1 videotape & handout (1.0 hr.)

Providing Health Care to Hispanic Immigrant Children. (Perez & Bayles, National Center for Neurogenic Communication Disorders, Univ. of Arizona , 2001). 1 videotape (0.75 hr.)

Understanding Cultural Diversity: An Introduction. (Brislin & Bayles, National Center for Neurogenic Communication Disorders, Univ. of Arizona, 2001). 1 videotape (1.0 hr.)

ORAL MOTOR (Organic)
(Includes Dysarthria/Dysphagia/Laryngectomy)

Aspiration: Its Measurement and Management in Dysphagia. (Susan Fleming, InfoLink, 1994). 1 videotape. (1.0 hr.)

Assessment of Swallowing Physiology: Videofluoroscopic Study of Oropharyngeal Deglutition. (J. A. Logemann, Imaginart). 1 videotape, 29 pp. manual with photographs. (1.0 hr.)

Beyond /p l t l k L / .: Evaluation of the Speech and Swallowing Mechanism. (ASHA Teleconference) 2 videotapes. (2.8 hrs.)

Compensatory Articulation in Cleft Palate Speech: Assessment and Treatment (M.A. Witzel, InfoLink, 1993). (1.0 hr.)

Developmental Motor Speech Disorders. (M. Crary, InfoLink, 1994). 1 videotape (1.0 hr.)

Dysphagia: Reading Videofluoroscopic Studies and Planning Treatment. (J. A. Logemann, ASHA, 1997). 1 videotape, 80 pp. manual. (4.0 hrs.)

The Dysarthria Examination. (A. Aronson, Mentor Seminars, 1997). 1 videotape (30 minutes), 1 audiotape for practice (1 hour). (Total credit: 1.5 hrs.)

The Health Care Professional's Guide to Oral Cancer. (National Oral Cancer Awareness Program; sponsored by ASHA, 1996). Diagnosis, treatment, rehabilitation, maintenance, and referral. 1 videotape. (0.5 hr.)

Identification of Motor Speech Disorders. (ASHA). 1 videotape & manual (4.0 hrs.)

Interpreting X-Ray Swallow Studies and Planning Treatment. (J. Logemann, ASHA, 1999). 1 videotape and manual. (4.0 hrs.)

Management of Dysarthria in Degenerative Neurologic Disease: Key Quality Indicators. (Strand, ASHA, 2000) 1 videotape 1 manual (4.0 hrs.)

Oral Motor Techniques in Articulation Therapy . (P. Marshalla, Innovative Concepts) Designed as two-day workshop. Topics: Principles of movement, treatment concepts; the jaw, tactile system, lips, tongue, dysphagia, developmental feeding therapy, neurodevelopmental treatment (NDT), oro-facial myology, articulation/phonology, sensorimotor integration (SI). 6 videotapes, 100 page manual (10.0 hrs.)

Pediatric Feeding and Swallowing: Assessment and Treatment Programming. (Alexander, ASHA, 2002) 1 videotape & manual (2.0 hrs.)
[NEW] PEG Tubes in Adults: Use, Overuse & the SLPs Role. (W. Plonk, Jr., ASHA, 2009) Audio CD & Manual (2 hrs.)

Radiographic Interpretation of Swallowing Disorders. (B. Martin-Harris, F. McConnel, SJ McMahon, ASHA, 2004). 1 interactive CD (4.0 hrs.)

Standardizing Dysphagia Diets. (McCullough, Pelletier, Steele, & Sullivan, ASHA, 2005). CD & manual. (2 hrs.)

Therapeutic Interventions for Dysphagia. (J. Logemann, ASHA, 2004). 1 videotape and manual (2.0 hrs.)
PHONOLOGY & ARTICULATION (Childhood)

Applications of Multiple Phoneme Articulation Therapy. (D. Bradley, Purdue University) 1 videotape, 6 pp. handout. (2.0 hrs.)

Dynamic Remediation Strategies for Children with Verbal Dyspraxia. (Velleman & Strand, ASHA, 1998) 1 manual 1 videotape (4.0 hrs.)

Enhancing Phonological and Metaphonological Skills with Highly Unintelligible Speech. (Hodson, ASHA, 2005). DVD & manual. (3 hrs.)

Motokinesthetic Approach to Speech Production. (M.M. Meek, Clinician's View). 2 videotapes (Motokinesthetic Approach for the Production of Vowels and Diphthongs, Motokinesthetic Approach to Voiced and Voiceless Consonants). (1.1 hrs.)

Oral Motor Techniques in Articulation Therapy. (P. Marshalla, Innovative Concepts) Designed as two-day workshop. Topics: Principles of movement, treatment concepts; the jaw, tactile system, lips, tongue, dysphagia, developmental feeding therapy, neurodevelopmental treatment (NDT), oro-facial myology, articulation/phonology, sensorimotor integration (SI). 6 videotapes, 100 page manual (10.0 hrs.)

Practical Procedures to Generate Speech Development. (Char Boshart, Speech Dynamics) 1 DVD + manual (6 hrs.)

Successful "R" Therapy. (P. Marshalla, Innovative Concepts) 1 videotape, 1 booklet. (1.0 hr.)

**PROFESSIONAL ISSUES**

# Essential Elements of Successful Grant Proposals. (AAA Convention, 1997). 1 audiotape. (1.0 hour). [# ABESPA Content Area II]

# The Legal Process: An Audiologist's Role. (AAA Convention, 2001) 1 audiotape. (1.0 hr.) [# ABESPA Content Area II]
SCHOOL-AGE LANGUAGE

Assessment of Bilingual Learners: Language Difference or Disorder? (C. Roseberry-McKibbin, ASHA, 2003). 1 videotape and manual. (3.5 hrs.)

Educationally Relevant Assessments. (S. Disney, E. Plante, & K. Whitmire, AAA, 2003). 1 CD and manual. (2.0 hrs)

Hispanic Preschoolers: Second Language Acquisition, Classroom Interventions, and Parents' Programs. (Purdue University, 1999) 1 videotape and handout (2.0 hrs.)

The Hyperlexic Child. (From Eighth Annual Conference on the Language Disordered Child) Includes Cognitive and Linguistic Development of Hyperlexic Children (Jane Healy) and Successful Remediation Techniques: The Syndrome of Hyperlexia (Bligh & Kupp). Two audiotapes & handouts (2.25 hrs.)

Meeting the Needs of Adolescents with Language Disorders. (V. Lord Larson, N. L. McKinley, ASHA, 2003). 1 CD and manual. (3.0 hrs.)

Pediatric Dysphagia: Management Challenges for the School-Based Speech-Language Pathologist. (Arvedson & Rogers, ASHA Teleseminar, 1997). 1 videotape, 114 pp. manual. (4.0 hrs.).

Phonological Awareness and Literacy Acquisition: Preschool to Adolescence. (Goldsworthy, Hodson, Spinello, & Swan, ASHA, 2002) (3.0 hrs.).

Reading and Language Intervention. (J. Norris & P. Hoffman, LSU) 1 videotape (0.8 hr.)

Recognizing and Monitoring Classroom Psychopharmacology. (Wright, 1997 ASHA Teleseminar) 2 audiotapes, 48 pp. manual. (2.0 hrs.)

Response to Intervention: An Alternative to Special Education. (Montgomery & Moore-Brown, ASHA,2006). CD from Telephone Seminar. (2 hrs.)

Zen and the CAPD Management. (M. Wynne, Purdue, 2002). Presents strategies for management. 1 videotape (2.0 hrs.)
STUTTERING AND VOICE

Cluttering: A Language-Based Syndrome. (D. Daly & M. Burnett-Stoinack) 1 audiotape); 1 outline, protocol, treatment plan. (1.0 hr.)

Counseling Parents of Children Who Stutter. (P. Zebrowski, Stuttering Foundation of America, 2000). 1 videotape, 4 pp. handout. (1.0 hr.)

Resonance Disorders and Velopharyngeal Dysfunction in School Age Children: Assessment, Intervention, and Referral (ASHA, 2000) 1 videotape and manual. (4.0 hrs.)

Teaching Preschool and School Age Children about Voice. (M. Andrews, Purdue University, 1998) 1 videotape and 4 pp. outline. (1.7 hrs.)

Working with School-Age Children Who Stutter: Practical Applications. (P. Ramig, AudioTranscripts, SHAA Convention, 1996) 2 audiotapes (3.0 hours)
TRAUMATIC BRAIN INJURY

Management of Executive Function/Pragmatic Skills in the Person with Traumatic Brain Injury. (M. Johnson, AudioTranscripts, SHAA Convention, 1996). 2 audiotapes (3.0 hrs.).
